Awards will be given to the best papers and the best poster of HCI International 2020.

The Student Design Competition gives to students (undergraduate, postgraduate or doctoral) an opportunity to present their design idea, by submitting an abstract and a video clip (up to 5-minutes). Three awards will be presented.

Exhibiting at the Conference is an ideal opportunity to display your products and services to an international audience of academics, researchers, professionals and users in the field of HCI.

The Conference Proceedings will be published by Springer in a multi-volume set. Papers will appear in the LNCS and LNAI series, while poster extended abstracts will be published in the CCIS series. All volumes will be available on-line through the SpringerLink Digital Library, readily accessible by subscribing libraries, and indexed by a number of services, including ISI CPC, EI Engineering Index, ACM Digital Library, Google Scholar, etc.
